SHIPMENTS OF ARMS ARRIVE IN ETHIOPIA

Arms Embargo Lifted, War Materials Flowing In.

By JAMES A. MILLS Associated Press Foreign Staff Copyright, 1935, The Associated Press.

ADDIS ABABA, Oct. 19.—War materials, released from other countries by the League of Nations lifting of the arms embargo, flowed into Ethiopia today as government officials disclosed that Emperor Haile Selassie's armies were concentrating for serious combat against the invading Italian forces.

The arms shipments now entering were ordered by the emperor before the embargo became operative. Naturally, the government will not disclose how large the quantities are which it is receiving nor the precise points to which they are being shipped.

It is known, however, that the (Continued on Page 2, Col. 2.)

COURIER-POST GETS AWARD AT PRESS MEETING

Made Showing On Production, State Association Finds.

The daily newspaper production award made to the Hannibal Courier-Post by the Missouri Press Association at its annual banquet last night in Kansas City, was for the general mechanical excellence, appearance, typography, balance, and reproduction of pictures in the paper, Charles W. Keller, Executive secretary of the association, stated.

KANSAS CITY, Oct. 19.—(P)—P. C. Goshorn, publisher of the Jefferson City Post-Tribune, was elected president of the Missouri Press Association at the close of the annual convention here today.

Donald H. Sosey of the Palmyra Spectator was elected vice president; Mrs. George Butts of the Marcelline News, recording secretary, and Wilson Bell of the Potosi Independent Journal, treasurer. O. J. Ferguson of the Fredericktown Democrat-News and W. E. Freeman of the Taney County Republican were named directors.

The association adopted resolutions favoring a state automobile drivers' license to curb the "appalling loss of life" on the highways and the proposed constitutional amendment increasing the salaries of state legislators.

Memorial Services Held

William Southern, Jr., editor of the Independence Examiner, conducted memorial services for eight members who died in the last year. Former Lieut. Gov. William R. Painter, publisher of the Carrollton Democrat, an old friend, and State Senator Frank Briggs, publisher of the Macon Chronicle-Herald, a former student, paid tribute to the late Dr. Walter Williams, founder and dean of the University of Missouri school of journalism.

GERMANY HAS NEW MARRIAGE RULES

Couple Must Stop at Health Office

BERLIN, Oct. 19.—(P)—The German bride and groom hereafter must stop by the public health office on their way to take their vows.

In a new series of rules on marriage, Reichsfuehrer Hitler forbids marriage on four different counts under penalty of a jail sentence to "protect pure German blood."

Marriages contracted in foreign countries against the new law will be invalid.

The rules provide that couples may not marry when:

1. Either party is afflicted with a contagious disease which might impair the health of an offspring;

2. Either party is incapable of managing his or her own affairs, or is under a guardian;

3. Either is suffering from nervous troubles which are considered against the interests of the community;

4. Either is suffering from an inherited disease, except when the proposed mate is sterile.

A certificate of health is necessary for performance of a marriage ceremony. Falsification of a certificate is punishable by a jail sentence and nullification of the marriage.

The rules were made public after (Continued on Page 2, Col. 2.)

RELEASE FUNDS FOR WPA WORK IN MISSOURI

Money Expected to Speed Up Hannibal District Program.

Release by Washington of \$10,000,000 in WPA funds for Missouri was announced in Kansas City last night by Matthew S. Murray, state WPA administrator, an Associated Press dispatch said today.

Henry G. Riedel, director of the WPA district comprising 15 counties, with Hannibal as headquarters, said today no allotments for further work had been received for this district today, but predicted that allocation of funds would be received for this district soon.

Murray said the release will allow the state WPA to throw its job-giving program into high gear and give employment to approximately 20,000 men in the state. Of Missouri's \$23,000,000 share of WPA funds, only a small portion had been released previously, the Associated Press message said.

District Director Riedel said \$61,749 in federal WPA funds had been allotted for 13 projects in this district. These projects are now employing 205 men, Morris K. Byrum, assistant district director added.

There are 66 men employed in and near Hannibal, as follows: Adams street sewer construction 33, improvements to the high school stadium 12, Hatch experimental dairy farm fence construction 6, extension of water lines at Hatch farm 4, Hatch farm gravel road work 11.

There are 26 men employed on gravel road construction south of Palmyra and the following on other projects in this district: Auxvasse special road district, road graveling, 6, Canton school repairs 5, road graveling in Monroe county 22, building gravel roads south of Clarence 36, graveling roads south and west of (Continued on Page 2, Col. 7.)

PREPARING PLANS FOR HOMECOMING

College Celebration Here October 26

Plans for the annual Hannibal-La Grange College homecoming, which will be held here Saturday, October 26, are rapidly rounding into shape. A meeting of the executive committee was held at the college this morning, with Lloyd W. Foley, college executive secretary, presiding, to make further arrangements.

There will be a bonfire rally Friday night and a meeting of the Alumni Association at the college Saturday morning. A large number of graduates and former students is expected for the homecoming and there will be a homecoming luncheon at the Mark Twain hotel, Saturday noon.

One of the big features of the event will be a parade through downtown streets, preceding the homecoming football game between Hannibal-La Grange and Illinois Colleges at Clemens Field.

Forty high schools have been invited to send bands and student delegations for the parade. Bands of the Shelby, Perry, Clarence and Bowling Green High schools have accepted, already, W. B. Jennings, chairman of the parade committee, said. (Continued on Page 2, Col. 2.)

FIRE PENNANT IS WON BY PETTIBONE SCHOOL

Made Best Showing of Schools in Fire Drill

Pettibone school has been awarded the Fire Prevention Week pennant offered by the Hannibal Chamber of Commerce to the institution making the best showing in the fire drill, made at the time of the annual visit of the chief of the fire department, and the orderliness of the building at the time of the visit. With the pennant goes a cash premium of \$5 given by the Hannibal Fire Insurance Agents' Association.

J. C. Raible, Jr., chairman of the fire prevention committee of the Chamber of Commerce made Friday, the announcement of the committee concerning the winner of the contest. The pupils of all the schools in Hannibal, public and parochial were inspected by Fire Chief Elmer R. Miller and all were eligible to take part in the contest.

The pennant will be formally presented to the school in the near future. The school contest is always a big event on the fire prevention week program and the competition between the schools is quite keen.

Earthquake Rocks Helena Mont.; Two Killed, Score Hurt; Buildings Damaged

HELENA, Mont., Oct. 19.—(P)—An earthquake, dealing death to two men and injuring a score, scattered wreckage today in the main streets of Montana's hilly capital, focal point for a week of tremors tracing a crazy pattern across the northwest.

The severe overnight shock, 60th of the sequence, tore at the mountainous continental divide and spread into three states—Montana, Idaho and Washington, and one Canadian province, Alberta.

The vibrations gripped this city of 12,000 with such intensity that Oscar Baarson, city engineer, estimated the damage might run as high as \$1,000,000. Other estimates were several hundred thousand dollars lower.

As the quake swayed Helena for about 12 seconds, the brick facing on many buildings peeled, crashed into the streets and was scattered. The shock began at 9:47 p. m., mountain standard time.

The front wall of an unoccupied structure fell and killed David Harris, a negro. The building stood on South Main street, an historic traffic artery which follows Last Chance Gulch, scene of glamorous mining adventures of yesteryear.

Harris' body was under a pile of bricks which stood two feet deep in the street. Charles Siggleing of Appleton, Wis., a transient, died of injuries received in the collapse of a roof at a transient camp.

The entire city was thrown into darkness for a time by the paralyzing of light and power facilities.

A new half-million dollar high school, suffered severely. A chimney was knocked down and brick fell from the walls. Two floors caved in at the National Biscuit Company factory.

The roof of the state arsenal fell and damaged trucks and national guard motor vehicles.

A large part of the coping on the imposing Algeria Shrine Temple was torn away, but the spire, about 400 feet tall, was unscathed.

After the walls of the high (Continued on Page 2, Col. 3.)

COUNTER DRIVE IS EXPECTED NEAR ERITREA

Italians Hear Ethiopians Have Received Munitions.

ASMARA, Eritrea, Oct. 19.—(P)—Italian sources were advised today that the Ethiopians south of the area now held by the Italian expeditionary force are preparing actively for a counter-offensive.

Scores of automobiles loaded with munitions are said to have arrived from Addis Ababa at Djibouti, 160 miles inland from Hara.

In addition, it was reported, Ras Nasibu is said to have started for Hara with a caravan of hundreds of mules, similarly burdened.

Ras Destra Demtu is said to be moving with 120,000 men from Alvera, the capital of his province in the south, against General Graziani's forces on the Italian Somaliland front.

Military authorities here predicted that Ras Destra would encounter vast difficulties on his march, because of Italian aerial bombardment and the fact that the Italian troops, occupying positions (Continued on Page 2, Col. 7.)

Mark Twain's Granddaughter To Name Winners In Literary Roles Contest, Ten Mayors To Be Here October 25

Miss Nina Gabrilovitch, only granddaughter of Mark Twain, will select three children giving the best impersonations of Tom Sawyer, Huckleberry Finn and Becky Thatcher here on October 25. There will be three children from each of the ten cities between St. Louis and Burlington, Iowa.

The three winners each will be presented with one of Mark Twain's books and will receive a free ride on the "Mark Twain" Zephyr.

The literary impersonations will be part of the ceremonies at Hannibal October 25, when Miss Gabrilovitch will christen the "Mark Twain" Zephyr, latest of the Burlington railroad's streamlined trains. The famous author's granddaughter will arrive here from her home in Detroit Friday morning.

The christening ceremonies will be broadcast nationwide by the Columbia Broadcasting system. It will be 30 minute program, from 2 (Continued on Page 2, Col. 6.)

Voted By League Of Nations General Committee

FRANCE WITH ENGLAND Premier Mussolini Given 11 Days To Think Things Over.

By WADE WERNER Associated Press Foreign Staff GENEVA, Oct. 19.—(P)—The League of Nations general committee of 52 nations tonight voted to drop the guillotine of a drastic "buy nothing from Italy" boycott on the Italo-Ethiopian war.

The assembly delegates fixed October 31 as the date when the league members will decide just when to let fall this knife, the first of its kind in history.

In other words, Premier Mussolini has just eleven days left to think things over. If he has not capitulated in that time to the league's demand for peace, the league will.

1. Amputate 70 percent of Italy's exports—the percentage normally sold to countries which are members of the league;

2. Extend mutual assistance to league members which are hit by the repercussions resulting from this blockade of trade;

3. Refuse to let Italy receive any "key products" used for the manufacture of war materials from league members.

Devised By Eden The boycott, devised to a large extent by Anthony Eden, the British minister for League of Nations affairs, is expected by its advocates to deal a crushing blow to Italy's incomes and seriously cripple that nation's capacity for continuing the war.

Tonight's work winds up the first big rush of sanctions decisions by the league.

It climaxes the "halt the war" drive which began with the solemn condemnation of Italy as an aggressor and continued with relentless pressure through an arms embargo, a finance blockade, and this formal approval of the buy-nothing and key-product ban.

Additional sanctions may yet be voted against Italy, but it is not expected they will be seriously considered until October 21, at which date the league states are requested to notify the league secretariat when they can begin the actual enforcement of economic sanctions.

EIGHT STATES FAVOR BORAH FOR PRESIDENT

Advanced As Strongest G. O. P. Candidate Against Roosevelt.

SALT LAKE CITY, Oct. 19.—Senator William E. Borah of Idaho was advanced before republican leaders from eight mountain states today as the strongest candidate available to defeat President Roosevelt for reelection next year.

Borah's name was placed before the "grass roots" conference by Wellington D. Rankin, former attorney general of Montana, who declared:

"Nominate William E. Borah and you nominate the next president of the United States."

While Rankin and other speakers expressed the view that only a westerner could bring victory (Continued on Page 2, Col. 7.)

REPRESENTATIVE KIMBALL IS DEAD

Served in Congress From Michigan

KALAMAZOO, Mich., Oct. 19.—(P)—Rep. Henry M. Kimball (R-Mich.) died today. He suffered a stroke of apoplexy last summer while serving his first term as representative of the third Michigan district and had been ill since.

He was the fifth congressman from the third Michigan district to die in office within twenty-three years.

Kimball, who was born August 27, 1878, was elected in 1934 to succeed the late Joseph L. Hooper of Battle Creek, who also died in office.

The first of the five members from the third district to die was William H. Frankhauser, who did not live to be sworn in. The others were John M. C. Smith and Arthur B. Williams.

JAMES LINK IS HURT IN HIGHWAY ACCIDENT

Believed To Have Fallen Asleep Driving Car

MARSHALL, Mo., Oct. 19.—(P)—James Link, 20, an employee at the Missouri state school here, was injured early today when his motor car crashed into the railing of a bridge on highway No. 20 east of Marshall.

Link was alone and it was believed he fell asleep as he drove. His home is at Hannibal, Mo.

Link was severely cut across the face and almost severed. Doctors, who planned to operate on his face this afternoon, believed he would live.

A. L. Link, 3236 St. Mary's avenue, father of the injured man, went to Marshall this morning to be with his son.
